A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on June 18, 2009 has been entered.

Claim 9 is rejected under 35 U.S.C. 112, first paragraph, because the specification, while being enabling for an unfried food that is coated with a batter or bread crumbs, as disclosed on page 5, lines 18-20, does not reasonably provide enablement for any unfried food. The specification does not enable any person skilled in the art to which it pertains, or with which it is most nearly connected, to practice the invention commensurate in scope with these claims.

The rejection of the claims over Anderson as further evidenced by Schwartzberg has been dropped in view of applicants' amendment to the claims.
